## Celebrating Twenty Years!

**O**n Reformation Sunday, October 27, we celebrated the 20th anniversary of Ken Kovacs' ministry at Catonsville Presbyterian Church. There was a special worship service that included elements from Ken's installation service, with guests and friends of Ken and this congregation, as well a baptism. We had a party in fellowship hall, followed by a luncheon at Matthew's 1600.

# "Celebrating Twenty Years! "

Continued from Page 1

**D**ear Friends,  
I look back upon these twenty years of ministry with you and give thanks for God's grace and for the grace and acceptance of this congregation, which I have felt and known. I am grateful for our work together, for the growth, the challenges, the opportunities, the laughter, the fun. I am deeply appreciative of the many cards, letters, and moving sentiments shared with me over the past couple of weeks, and especially on October 27. The tributes during worship, at the party, and the wonderful luncheon that followed at Matthew's 1600, were all truly memorable. Thanks to the Personnel Committee and Session for the beautiful engraved whisky decanter and glasses bearing the CPC dove logo. And many thanks to the team of individuals who put so much thought and love into the planning of the celebration. Despite the torrential rain in the morning (it was a dreich day, as the Scots would say), the sun came out as we were heading to Matthew's. And, now, as they say on the Camino: *Ultreia! Forward. Onward. We lean into God's future.*  
— Ken Kovacs

*"One of my favorite quotes is from Irenaeus (d. c. 202) who said, "For the glory of God is the living human being, and the life of a human being is the vision of God." The most rewarding part of ministry is helping people come alive, engaging heart and mind and soul in the holy work of transformation. The Christian life bears witness to the transforming power of Christ to redeem and make us whole—and I get to be a co-participant with God's people in this amazing work."* — Ken Kovacs

# Growing in Grace

## Adult Education Opportunities

*Join us on Sunday mornings at 9 a.m. in the library. Childcare is provided.*

### NOVEMBER 3

#### Led by Ken Kovacs

##### Dreaming in Daniel

The Thursday Morning Bible Study is working through the book of Daniel this season. It's a fascinating text with six stories and four dream-visions. This Sunday we'll highlight a dream by Nebuchadnezzar, place its significance within the theological framework of Daniel, and then approach the dream from a Jungian psychological perspective.

### NOVEMBER 10

#### Led by Ken Kovacs

##### Those Mysterious Mystics: Continued

In September, we offered an introduction to Christian mysticism that was very popular. This Sunday we'll continue our exploration of the Christian mystical tradition (Catholic, Orthodox, and Protestant). We'll focus on the insights of Meister Eckhart (1260-1320), Teresa of Ávila (1515-1582), Thomas Merton (1915-1968), Howard Thurman (1899-1981), and more contemporary Christian mystics. We'll provide resources and suggest ways to help you nourish life in the Spirit.

### NOVEMBER 17

#### Trigger: The Ripple Effect of Gun Violence

Join us for a viewing of the award-winning documentary produced by the Presbyterian Church (USA). Trigger frames gun violence as a "disaster" and "public health" issue. It examines how one shooting impacts individuals, families and communities and gives voice to the questions and insights that arise. In the documentary, all those scarred by gun violence arrived at the question, "Why did this happen to us?" After looking at these in depth experiences of gun violence, Trigger turns its attention to the bigger question, "What can we do to prevent gun violence?"

### NOVEMBER 24

#### Poetry as Prayer

In the words of moderately successful poet Ellen McGrath Smith, "Poetry is marginal, thankless, untethered from fame and fortune; it's also gut level, urgent, private yet yearning for connection. In all these ways, it's like prayer for me. I'm a not-quite-lapsed Catholic with Zen leanings, but I'll always pray—and I'll always write poems. Writing hasn't brought me the Poetry Jackpot I once pursued, but it draws on the same inner wiring that flickers when I pray." In this session, moderately successful poet Ann Quinn will lead us learning how we can enrich our prayer lives both by using the poems of others in prayerful contemplation, and also by writing our own prayerful poetry. No prior poetry experience required!

## Looking ahead to December

### December 1 Advent Begins

Everyone is invited to join the BIG Advent Feast. Gather in fellowship hall from 5:30 to 7 p.m. Dinner and salad provided, please bring a dessert.

### December 8

Doug Heist will present an organ recital featuring music for the Advent and Christmas season at 4 p.m.

### December 14

Christmas Caroling

### December 15

Christmas Carol Service

Cookie Walk

Blue Christmas Service

### December 24 Christmas Eve

Afternoon and evening services at 4 and 8 p.m.

## Concerts at 3pm Sunday, November 24

With great passion and unwavering commitment, Elysian Camerata forges ahead well into their second decade of exceptional chamber music making. Their concerts offer an element of unpredictability as they regroup into various ensembles, all the while remaining diligent in conveying the composers' original intent but still infusing their own personal understanding and inspiration into the music.

## Don't Forget to Fall Back

It's that time of year again, time to Fall Back. With Daylight Saving Time ending on Sunday, November 3, at 2 a.m., we wanted to remind you to set your clocks back one hour the night before.

## Bystander Intervention Training Class

Sunday, November 3

By Jeff Bolognese

On Sunday, November 3, community partners will offer a free Bystander Intervention Training at Catonsville Presbyterian Church. This comprehensive training, facilitated by trainers from the Montgomery County Civil Rights Coalition, provides a grounding in the principles of nonviolence and de-escalation, followed by interactive scenarios to practice new skills. Participants will learn how to manage group dynamics that can arise from bias-motivated harassment. They will also learn how to confidently and compassionately facilitate bystander skills. The training provides an orientation to the history and philosophy of nonviolence and bystander intervention and teaches intervention skills through mock scenarios worked out in small groups. By the end of this training participants will understand the background and principles of de-escalation, they will have actively improved intervention skills, and will have greater courage to step into a variety of difficult situations as a bystander.

In a time when we can all feel powerless against the seemingly incessant stream of racist and bigoted rhetoric and actions in our community, this training is an opportunity to provide individuals with tools to effectively and safely counter the divisive forces. The cost is free and childcare can be provided upon request. For registration details visit the Catonsville Presbyterian website, or contact Jeff Bolognese at [jabolognese@gmail.com](mailto:jabolognese@gmail.com).

# Prayer Vigil

## Remembering the Hon. Elijah Cummings

By Ken Kovacs

Members of the Catonsville Ministerium gathered on the evening of October 17 in front of the Catonsville office of Rep. Elijah Cummings. We prayed, shared stories, sang a hymn, and gave thanks for a remarkable public servant. Here is the prayer that I lifted up.

*Holy One,*

*We remember and give thanks for the life and witness of your son, Elijah Cummings.*

*We give you thanks for all the good that you accomplished through him.*

*We give thanks for his life: his sense of humor, his kindness, his generous spirit.*

*Heir of your prophet Elijah, who fought for the well-being of all your children and spoke out against wrongs committed by those with power and wealth.*

*We give you thanks for his life and witness:*

*Patriot, public servant, husband, father, friend.*

*Preacher of your good news to the poor,*

*the outcast, the stranger, the vulnerable, and the marginalized.*

*Tenacious fighter for justice, who suffered at the hands of evil yet gave his life, offered his life as an instrument of grace and peace and truth and goodness.*

*And so we pray, Holy One, that you will place upon us something of Elijah's mantle.*

*Inspired by his legacy, give us some of his tenacity and energy and tireless devotion to the good.*

*Set our eyes on the prize, let us run and not be weary,*

*let us walk in the light of justice and not faint.*

*For these are challenging times, Lord, requiring much of us.*

*Let us be advocates for justice.*

*Bring down oppression's rule; overturn unjust laws; break the chains of those still enslaved.*

*Let us stand with the weak and the powerless.*

*Let us protect the most vulnerable among us.*

*Let us speak out against wrong.*

*Let us call out and hold accountable those who abuse*

*the office and power given to them by the people.*

*May we, as Elijah summoned us, may we pay attention—wake us up, keep us alert, ready to resist tyranny, and thereby guard and protect this democracy.*

*May we honor his life, and honor you, in service to justice with love, in your name. Amen.*

## Catonsville Emergency Assistance (CEA)

By Tricia Cooper

The CPC Deacons are very grateful to our congregation for their generosity to our community through Catonsville Emergency Assistance in our "Just One Can" campaign. We are doing a great job in helping to combat hunger in our community. As of October we have provided almost 700 pounds of food in 2019! The need continues, however during the upcoming holiday season, please consider adding items typical of a holiday meal to donations such as boxes of stuffing, mac and cheese, mashed potato, canned green beans, yams, cranberries, etc. A list of the items most often needed on a regular basis can be found in the Life in the Community section of the bulletin. Please place items for Catonsville Emergency Assistance in, or near, the box that can be found in Fellowship Hall near the door to the library. Contact Tricia Cooper at [triciamcd@gmail.com](mailto:triciamcd@gmail.com) with any questions.

# Adopt a Turkey for Grace AME Church

By Nancy Henderson

The missionaries of Grace AME Church will once again be providing a Thanksgiving turkey and all the fixings for over 150 families in the Catonsville area that are food challenged. Last year Catonsville Presbyterian was able to provide more than \$2,000 to assist in the purchase of the turkeys and also donated many of the fixings that helped fill the baskets. The missionaries are once again in need of assistance with their long-standing tradition of feeding the hungry at Thanksgiving. Last year they said they could never have provided so many meals without the generosity of Catonsville Presbyterian.

For the next few Sundays there will be volunteers at a table in fellowship hall to receive your donations of either food or money to assist the missionaries of Grace AME Church in fulfilling this much needed outreach in the community of Catonsville. With every donation you will be able to sign your name to a feather and place in on the turkey, which on November 15, will be presented to the missionaries as a symbol of our continued partnership with this wonderful church. There will also be the opportunity to sign up to fill the bags at Grace AME on Winters Lane on Friday, November 15, at 4 p.m. to distribute the turkeys and fixings on Saturday, November 16, at 9 a.m..

Items needed to fill the baskets include boxed stuffing, canned yams, canned green beans, canned gravy, canned cranberry sauce, boxed mac and cheese, one pound bags of rice and brownie mix. Hunger has no season, so please give generously to this worthwhile cause.

## Creation Care News

By Ron Gunderson

This has been both a challenging and a rewarding season of earth-care projects! The native plant gardens around the Church House and garage continue to thrive. This fall we added a new conservation landscape garden adjacent to the labyrinth, enhancing rain-water management as well as making this place more pleasant and welcoming for personal and small group meditation and gathering.

The woodland sanctuary and meadows continue to be transformed from an overgrown and unusable place. Now ending the third year of development, it is becoming a place where pollinators and other little creatures find welcoming habitats as well as a place for the congregation and community to go for quiet meditation, learning, fun, and gardening. We have planted hundreds of flowering native plants, hundreds of square feet of native grasses, many new native trees and shrubs, and are developing demonstration areas for a variety of habitats. Soon you will see new birdhouses placed throughout, built and installed by the church's middle school youth. The chipped wood paths lead you into the woods from either Summit Ave or the main parking lot. Look for the welcoming, sanctuary signs!

Unfortunately, we have recently lost six of our largest and most majestic trees. The toll of weather and age has weakened and stressed trees all over Catonsville. As we have removed trees, we have been planting replacements and have plans for more as funding becomes available. Working with local companies, much of the wood from the trees that have come down is being repurposed as furniture and firewood. The Creation Care Team closely coordinates with the Trustees to keep our property safe, esthetic, and environmentally sustainable!

We continue to be greatly helped by the generosity of the congregation and community. We also have benefitted the past four years from successfully applying for grant support from the Chesapeake Bay Trust, BGE/Exelon Green Grants, and Baltimore Presbytery's West Side Story group. Grant funding to date has totaled over \$30,000, with the majority going for the woodlands transformation projects! If you are interested in helping the Creation Care Team make our church grounds more environmentally sound and esthetically pleasing, contact Ron Gunderson at [cinron.md@verizon.net](mailto:cinron.md@verizon.net) to gather more details.

## Scouts Update

By Glenda K. Johnson  
Chartered Organization Representative

### Cub Scout News

Over 90 Cub Scouts and family members attended the Pack 306 Fall Camp out trip in October. The camp out was held at the Hilton Area of the Patapsco Valley State Park. Cub scouts took an afternoon hike, cooked their own meals and participated in outdoor activities such as plant identification, knot-tying, and knife skills. Thanks to the leaders who organized and led this very successful event.

### Boy Scout News

Troop members and families participated in the Renaissance Festival by staffing one of the soda booths on October 20, to help fund Troop camping activities. They have also completed the last of the Catonsville Cleanup programs in conjunction with the Chamber of Commerce.

### Popcorn Sales

Thanks to the support of the congregation in the Pack's recent popcorn sales, which is its major fundraiser. It was a great opportunity for the boys to learn to "sell" their product, to practice their public speaking, and to meet members of the congregation during the three Sundays when the Pack was present after our service. Leaders appreciate this chance to interact and to work with all of you.

### Tree Sales and Ground Cleanup

It seems too soon to think about Christmas...but Thanksgiving is very late on this year's calendar, November 28, so that's less than one month until Christmas. The Troop will again be setting up for the tree sales on Friday, November 29. Trees will be delivered on Saturday, November 30 and the sales will begin at about noon. The annual grounds cleanup will run 9:30-11:30 a.m. on that same day of November 30. Workers should wear gloves, warm jackets, and closed toe shoes. Tarps and blowers are needed to make the job easier and to prepare the grounds for winter. Please come join Cub Scouts and Boy Scouts in this effort. More information will be shared in the Bulletin as the time gets closer.

## Puerto Rico Mission

By Ken Kovacs

Our CPC Work Team will be heading to Puerto Rico on November 11. We raised more than \$1,700 from the luncheon on World Communion Sunday. On Sunday, November 10, we will commission our travelers in worship and pray over them. And then we invited you to pray for them daily. Our travelers are:

Hope you are all looking ahead to the BIG Advent Feast on Sunday, December 1, from 5:30 to 7 p.m.

## Church Youth Photographs

Paula Beck organized a blanket-making session for Project Linus. Our middle school youth, with an assist from Cecilie, Rob and Susan, show off the finished blankets. Doug Heist shows off the organ repairs to our 3-5 grade church school class on September 27.

# Session Meeting Highlights

The Session is a body of fifteen members, elected by the congregation and ordained as ruling elders, who provide leadership for our congregation. Following are highlights of the regular monthly Session meeting of October 2, 2019.

■ The Session approved a request from the Mission Committee to authorize up to \$2,000 from GRACE Mission Fund income to be spent for building supplies for the Puerto Rico work project. This will be used by our mission team to repair damage caused by the 2017 hurricanes in Puerto Rico. Session also approved the Committee's request to donate \$500 of GRACE Fund income to CWS/CROP, since we did not participate CROP Walk in Catonsville this year.

■ The Finance Committee is investigating the introduction of a capital budget for the church to supplement the existing annual operating budget. A capital budget would formalize the process of earmarking and allocating funds to be made available for large, one-time projects, as opposed to routine, ongoing expenses like maintenance, utilities, and etc. This will be a subject for discussion at future meetings.

■ The Christian Education Committee announced that it intends to develop a "safe sanctuary" policy to protect children and youth involved in church programs from sexual predators and other forms of abuse. The policy

will be designed in accordance with PC(USA) policy.

■ Our Elder Commissioners reported on the recent meeting of Baltimore Presbytery, at which the future of "The Center" was discussed. The Center is a Presbytery program providing housing and guidance for church groups engaged in urban mission projects in Baltimore. A proposal for The Center's future will be presented at the next Presbytery gathering in November, and a vote on the proposal will be taken at the following gathering in February 2020.

*Session recognizes the need to continually communicate with our membership, and we welcome your suggestions for communication exchange. Session member contact information is listed in the Church Directory, so it is easy to communicate directly with your church leaders. Take a few minutes to send a message to a Session member, the pastors, or the church office, and let us know what you think. We want to hear from you!*

—David Hutton, Clerk of Session  
(dhutton1@verizon.net)

## Our Financial Resources

We rely on everyone to support what God is doing through this congregation. The vitality of this ministry is secured by God's grace and funded by the faithfulness and commitment of God's people. We are counting on the ongoing generosity of our members and friends. Thank you! —Keith Glennan, Finance Committee

## Stewardship Pledge

By Laurie White

This year's stewardship season will look different this fall as we shift our discussions about our responses to God's goodness throughout the year, instead of just a couple of weeks in November. However, we still need to plan for the 2020 fiscal year. Watch for your pledge card arriving in the mail in early November. We ask that pledges are received by November 24, 2019, either by dropping your card in the offering plate, mailing it to the attention of the Pledge Secretary or emailing one of our pledge secretaries Marge Hetrick at [mchetrick@verizon.net](mailto:mchetrick@verizon.net) or Keith Glennan at [keith@glennan.net](mailto:keith@glennan.net). If you have never pledged before, please consider it. Having pledge information early helps the Finance Committee plan for the upcoming year. Our congregation is a very generous one! It reflects our commitment to God and the ministries of CPC. Please consider submitting a pledge because every single gift makes a difference. Thank you!
