

Navigating Realm

1 **Navigation menu:** Includes a list of your apps. This navigation area will display additional options and buttons depending on the app you're using.

News: Publish an update or photo for one of your groups. Note: this will send notifications to others in the group.

Communications: Emails you recently sent or received.

Events: Church events and links to the master calendar.

Giving: Manage your giving, payment methods, and year-end statements.

Groups: Ministries and programs you're participating in. This includes a directory of church groups you can join.

Serving: Manage your scheduled service to the church (i.e., Fellowship Hour, liturgist, etc.)

Directory: The church's online directory.

2 **Search bar:** Allows you to search the directory for a person or group.

3 **Link to Realm support:** Clicking this icon will open the support and instructional web pages for Realm.

4 **Settings toggle:** Click your name to find account and notification settings.

5 **Settings menu:** After clicking your name, this menu appears with options to update your account and notification settings.
